

Our company's event for Vasilopita 2019 took place in a carnival mood reflecting our optimism for the new year and our positive work environment. The whole SEA POWER team together with our Japanese friends-members of our principals MITSUI celebrated with live Greek music, games and contests. Acting as a big family, Sea Power members keep strong bonds constituting a committed, collaborative team, who sets high goals. These bonds actuate the company to keep growing wisely, successfully and united, providing the very best outcome of services to our customers and principals also for this year and on. All the Best to our valuable partners !
