### All Seasons

#### °CLIMATE COMFORT

- ✚ Heating
- ✚ Air Conditioning
- ✚ Applied Systems
- ✚ Refrigeration

#### Marine Type Application

- ✚ Cruise Ships
- ✚ Navy Ships
- ✚ Off-Shore
- ✚ Special Vessels
- ✚ Merchant Vessels

USP 3-20H recirculation-air type

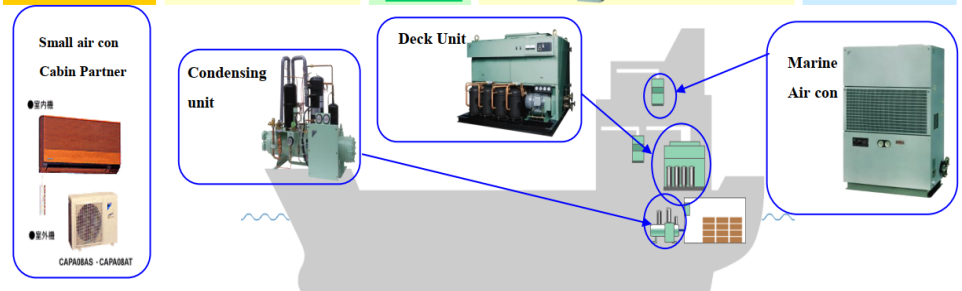

USDN25-70 fresh-air type

- Condensers for sea water application (Cu/Ni 90/10 Fe or titanium)
- Marine water box, hinged, for condenser & evaporator
- Workmanship for marine use > vibration resistant
- Environmental friendly refrigerants
- Efficient COP value (high coefficient of performance)
- Long term operation and low maintenance
- Earth boss
- Explosion proof for hazardous area's i.e. ATEX (Off- Shore)

Type	System	Refrig.	Scope of Capacity	Compressor
Air con	Central	Water cooled chiller	R134a R410A	Semi hermetic Single Screw
		Deck unit	R407C R407H	Hermetic Scroll
	Multi	Packaged	Central System recirculation R407C R407H	
		Galley & Central System 100% fresh air R407C R407H		
Refrigeration	Small condensing unit	R407C R407H	Reciprocal & Scroll	

**DAIKIN MARINE** and **SEA POWER** share the same philosophy: Quality as culture, which is reflected to our best services towards the customer.

You may be assured that we and our principals will offer to your esteemed company the very best in efficiency and we are looking forward to cooperating with you in all future inquiries in respect of **DAIKIN** products

## Range

- Daikin Standard Marine Products
- Customization of Standard Products
- Daikin Marine Spares
- Service via World Wide Network
- European Centre of Distribution

## Service Products

- Commissioning & Start up
- Repair & Service
- Overhaul
- Spare Parts incl. Product history
- Retrofit – Refrigerants
- Life Cycle Planning
- After Sales
